

Shift Emergency Kit

Created for **bsteinrock.dev@gmail.com** on 4/24/2021

The vault password displayed below can be used to unlock your vault when you install and use Shift on another computer. It can also be used to restore a vault to your existing computer.

1. Print out this document and/or save it to a USB key or external drive.
2. Store your kit in a secure place where you can find it, like a safety deposit box.
3. Below is your vault password which is needed to unlock your vault if necessary.
